

Multiple Experience Planning

Note: You can do two experiences in a row

- Experiences = Sauder, Global Seminars (GSP), Exchange (summer), Exchange (term)

Summer Term 1	Summer Term 2	Term 1	Term 2	Notes
GSP		EXCH	UBCO	Recommended
GSP		Sauder	UBCO	Recommended
GSP	EXCH	UBCO	UBCO	Tricky but do-able
		EXCH	EXCH	One partner only, must do 490 overseas, will not graduate in June
	EXCH	UBCO	UBCO	Recommended
	EXCH	EXCH	EXCH	1-2 partners, must do 490 overseas, will not graduate in June
	EXCH	EXCH	UBCO	Two partners, not advised for everyone – must talk to the Go Global office about this scenario before applying
	Sauder	EXCH	UBCO	Confirm that semester dates don't overlap
	EXCH	Sauder	UBCO	Please speak with Jennifer

Co-op students: Co-op ideally starts in the first summer following year 3. Highly organized students can move from their 3rd, or 4th (optional), summer work term into Exchange Winter term 1 (and term 2 if full year). This might be the simplest route for a Co-op option, tagging the Exchange or GSP on once Co-op is complete.
