Confirmation of UBC's Letters of Acceptance

To Whom It May Concern:

This letter is to support travel to Canada for the essential and non-discretionary purpose of actively pursuing studies.

The University of British Columbia (UBC), DLI #O19330231062, has an approved COVID-19 readiness plan and is included on IRCC's online list of approved DLIs since October 20, 2020.

At UBC, Letters of Acceptance must be valid only at the time students commence their program of study. Should a student's Letter of Acceptance expire after they have begun studies, their offer has not been revoked and they may continue studying.

A Letter of Enrolment confirms that the student has begun their program and is or was enrolled at UBC for the period shown on the letter. Should you have any questions about a student's enrolment, please refer to the contact information on the Letter of Enrolment.

Thank you for your support in these challenging times.

Best regards,

Dr. Philipp Reichert, RCIC
International Programs and Services
