FIRST-YEAR PLANNING GUIDE

Welcome to the Bachelor of Arts program in the Irving K. Barber Faculty of Arts and Social Sciences. This guide has been designed to help you plan your first-year courses.

Things to remember:

- There are a lot of choices, so have fun exploring!
- If you wish to complete a 120-credit degree in four years, then you would choose 30 credits per year. Alternatively, you may choose to register for fewer courses and extend the length of your degree.
- To view the degree requirements (foundational, distribution, etc.) in depth, [click here](#).
- To see the requirements for majors, minors, and honours, [click here](#).
- Need help choosing an ENGL course? [Learn more](#) about our first-year ENGL courses.
- Need help choosing courses for the foundational language acquisition/appreciation requirement? Learn more about your options [here](#).

The Structure of the BA degree

Total 120 Credits Required for the BA degree				
Foundational Requirements Total = 21 credits	Communication 12 credits	Critical Thinking 3 credits	Indigenous Content 3 credits	Scientific Literacy or Numeracy 3 credits
Distribution Requirements Total = 12 credits	Creativity 3 credits	Digital Literacy 3 credits	Power, Diversity and Cultures 3 Credits	Sustainability 3 credits
Your major of choice			Electives Approximately 39 credits Note: the number of electives may vary depending on major	

Note: When you begin course planning, you may notice some courses satisfy both your program (major) requirements and the foundational/distribution requirements. This is called double counting. For each double counted course, you must take an extra 3-credit elective (coursework in any discipline, any level) to ensure that you meet the 120-credit requirement for your degree.

Year 1 course planning guide:

Term 1	Credits	Term 2	Credits
1st year major requirement	3	1st year major requirement	3
Foundational Requirement - Communications (100-level ENGL)	3	Foundational Requirement - Communications (200-level writing)	3
Foundational or Distribution Requirement	3	Foundational or Distribution Requirement	3
Foundational or Distribution Requirement OR elective	3	Foundational or Distribution Requirement OR elective	3
Foundational or Distribution Requirement OR elective	3	Foundational or Distribution Requirement OR elective	3
